

Open Data

USER GUIDE TO API UTILIZATION
ECONOMIC CITIES AND SPECIAL ZONES AUTHORITY

هيئة المدن والمناطق الاقتصادية الخاصة
Economic Cities and Special Zones Authority

Why Open Data.

The **Economic Cities and Special Zones Authority** recognizes the importance of the open data, as it represents a national asset and contributes to improving performance and productivity, facilitating the provision of public services through effective data management, strategic decision-making, future forecasting, and achieving the highest levels of responsibility and transparency.

Therefore, ECZA present this guidebook which designed to empower "open data user" and provide them with step-by-step instructions on leveraging ECZA's open data API.

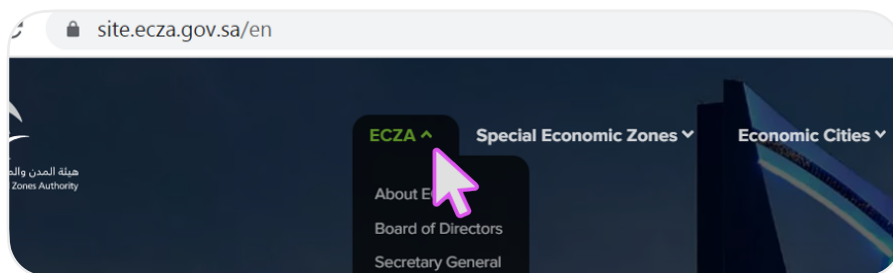

Discover and Access ECZA Open Data

Follow the Link toward ECZA website

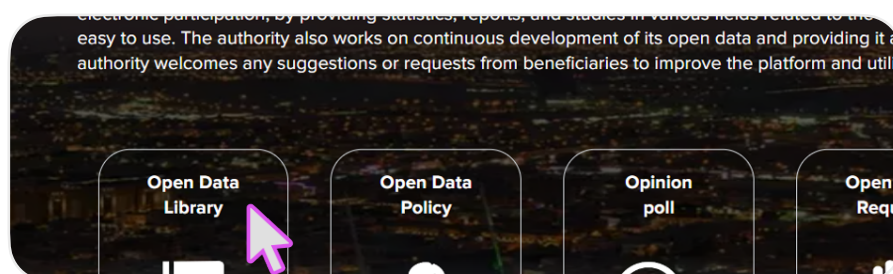

01.

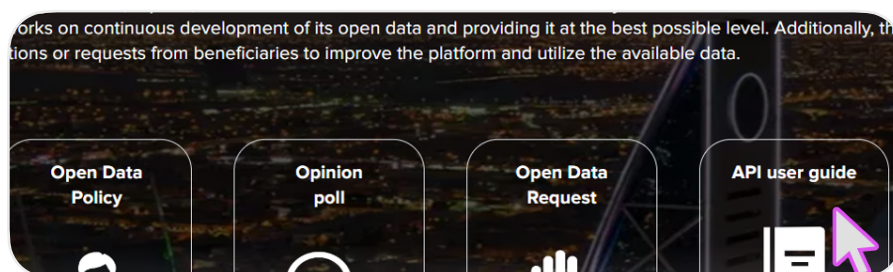

From ECZA dropdown list select **open data**

02.

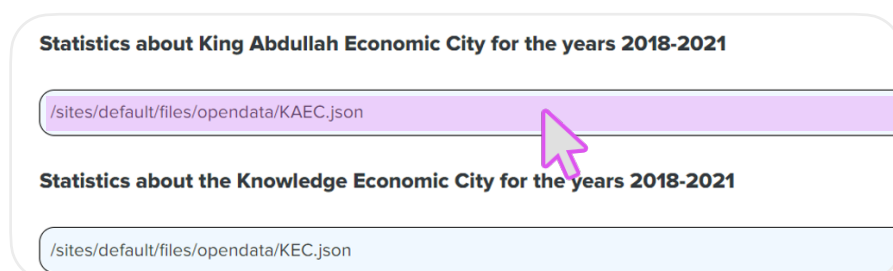

Explore the **open data Library**

03.

Go to **API user guide**

04.

Copy the **API link** of the selected data
